

## ISO9001 & ISO13485 & ISO11137

| Product Name:           | Centrifuge Tube   |  |  |  |
|-------------------------|---|--|--|--|
| Product Application:    | NEST centrifuge tubes could be commonly used to collect cells and separate                            |  |  |  |
|                         | iomacromolecules by centrifugation in biochemistry and other biological fields.                       |  |  |  |
|                         | hey can also be used to store photosensitive samples and special                                      |  |  |  |
|                         | chemiluminescence reagent.  |  |  |  |
| Product Materials:      | P (tube) + PP(cap)  |  |  |  |
|                         | ets USP, Class VI standards.  |  |  |  |
| product Specifications: | nperature range: stored at room temperature   |  |  |  |
|                         | Shelf life: 3 years after date of production. ( ensure package is in good )                           |  |  |  |
| Sterilization:          | Yes.  |  |  |  |
|                         | Sterilized by E-beam, Sterility Assurance Level: SAL=10 <sup>-6</sup> . The product has been          |  |  |  |
|                         | irradiated and dosimetrically released based on ANSI/AAMI/ISO 11137                                   |  |  |  |
| Pyrogens:               | Non-Pyrogenic   |  |  |  |
| RNase/DNase:            | DNase/RNase free  |  |  |  |
| BSE/TSE:                | These products are deemed animal free.  |  |  |  |
| Performance Testing:    | Each manufacturing lot is sampled and tested in accordance with standard operating                    |  |  |  |
|                         | procedures.   |  |  |  |
|                         | Appearance inspection: qualified Sealing test: qualified  |  |  |  |
|                         | Packaging inspection: qualified   |  |  |  |
| Features                | Printed clear graduations with marking area.  |  |  |  |
|                         | 2. Polypropylene tube and high density polyethylene cap.  |  |  |  |
|                         | High centrifugal strength up to 12,000xg.   |  |  |  |
|                         | 4. Withstand temperature range: Approx80 ℃ to 121 ℃.  |  |  |  |
|                         | 5. Flat markable cap with leakproof seal.   |  |  |  |
|                         | 6. One-hand operation design for the caps is easy to handle.  |  |  |  |
|                         | 7. Sterilized by E-beam, SAL=10 <sup>-6</sup> .   |  |  |  |
|                         | 8. Non-Pyrogenic, DNase/Rnase free.   |  |  |  |
|                         | 9. Tubes are available in two usage levels: Premium Level and Standard Level.                         |  |  |  |
|                         | Premium Level:  |  |  |  |
|                         | Up to the standards of biological analysis.   |  |  |  |
|                         | High strength non-toxic materials.  |  |  |  |
|                         | Raw material comply with USP VI complies.   |  |  |  |
|                         | Standard Level:   |  |  |  |
|                         | <ul> <li>Made from virgin polypropylene to meet the general requirements of thelaboratory.</li> </ul> |  |  |  |
|                         | Skirted and self-standing.  |  |  |  |

| Product Name:        | Centrifuge Tube Racks                   |  |  |
|----------------------|---|--|--|
| Product Application: | For placing 15ml&50ml centrifuge tubes. |  |  |
| Product Materials:   | Polypropylene, PP                       |  |  |

#### ISO9001 & ISO13485 & ISO11137

|                         | 1003001 & 10013 103 & 10011137   |                            |  |
|-------------------------|--|----------------------------|--|
| product Specifications: | Temperature range: stored at room temperature                                      |                            |  |
|                         | Shelf life: 5 years after date of production. ( ensure package is in good )        |                            |  |
| Sterilization:          | No   |                            |  |
| Performance Testing:    | Each manufacturing lot is sampled and tested in accordance with standard operating |                            |  |
|                         | procedures.  |                            |  |
|                         | Appearance inspection: pass  | Packaging inspection: pass |  |
| Features                | Made of virgin polypropylene.  |                            |  |
|                         | 2. Reusable and economic.  |                            |  |
|                         | 3. Non-sterilized.   |                            |  |

## **Product Range**

## Centrifuge Tubes, USP VI Materials

| Cat. No. | Volume(MI) | Color        | Packaging | Max.RCF(xg) | /Pack | /Case |
|----------|------------|--------------|-----------|-------------|-------|-------|
| 601001   | 15         | transparency | PS Rack   | 12000       | 50    | 500   |
| 601002   | 15         | transparency | Bagged    | 12000       | 50    | 500   |
| 602001   | 50         | transparency | PS Rack   | 12000       | 25    | 500   |
| 602002   | 50         | transparency | Bagged    | 12000       | 25    | 500   |
| 601201   | 15         | brown        | PS Rack   | 12000       | 50    | 500   |
| 602201   | 50         | brown        | PS Rack   | 12000       | 25    | 500   |

## Centrifuge Tubes, Standard

| Cat. No. | Volume(mL)         | Packaging | Max.RCF(xg) | /Pack | /Case |
|----------|--------------------|-----------|-------------|-------|-------|
| 601051   | 15                 | PS Rack   | 12000       | 50    | 500   |
| 601052   | 15                 | Bagged    | 12000       | 50    | 500   |
| 602051   | 50                 | PS Rack   | 12000       | 25    | 500   |
| 602052   | 50                 | Bagged    | 12000       | 25    | 500   |
| 602072   | 50 (Self-Standing) | Bagged    | 5000        | 25    | 500   |

## **Centrifuge Tube Racks**

| Cat.No. | Application    | Sterile | /Case |
|---------|----------------|---------|-------|
| 610001  | For 15mL tubes | No      | 50    |
| 610101  | For 50mL tubes | No      | 50    |
